## PROFILE

I am a passionate Computer Science undergraduate at the University of Sri Jayewardenepura, with a strong interest in software development, algorithms, and emerging technologies. Eager to apply my academic knowledge to real-world challenges, I enjoy exploring areas like machine learning, web development, and problem-solving through code. Committed to continuous learning and innovation, I aim to contribute to impactful tech solutions while growing as a skilled developer.

## EXPERIENCE

- Collaborated with a team of peers to design and develop a web-based attendance tracking system as part of a group project. Responsible for front-end design using HTML, CSS, and JavaScript, improving user experience and system usability.

## EDUCATION
